WHO WE ARE

Modern Edge delivers excellence in general contracting, trading solutions, and premium equipment rentals tailored to diverse industry needs.

With an unwavering dedication to excellence and customer satisfaction, we strive to build long-term partnerships by providing innovative, efficient, and dependable services tailored to our clients' specific needs.

OUR MISSION

At Modern Edge General Trading, our mission is to be a trusted partner, delivering exceptional products and solutions that empower clients and drive success. We are committed to:

- **Quality & Reliability:** Sourcing superior products from trusted suppliers to ensure satisfaction in every transaction.
- **Strong Partnerships:** Building long-term relationships through transparency, integrity, and outstanding service.
- **Innovation & Efficiency:** Leveraging technology to optimize supply chain processes and meet market demands.
- **Sustainability:** Promoting environmentally and socially responsible business practices.
- **Industry Support:** Providing tailored solutions for diverse sectors to fuel growth and success.

Modern Edge General Trading is synonymous with trust, excellence, and innovation in the Gulf market.

OUR VISION

At Modern Edge General Trading, our vision is to lead in delivering innovative trading solutions and redefining excellence across industries.

We aim to:

- **Set the Standard:** Be the preferred choice for superior quality, reliability, and service.
- **Promote Sustainability:** Drive responsible practices for a better future.
- **Empower Clients:** Provide tailored, tech-driven solutions to meet evolving needs.
- **Expand Globally:** Build strong partnerships and adapt to dynamic markets.
- **Create Impact:** Exceed expectations and contribute to lasting client success.

Our goal is to make Modern Edge synonymous with trust, sustainability, and innovation.

CORE VALUES

Our values define who we are, guide our actions, and shape how we serve our clients and communities:

Excellence: Uncompromising commitment to quality.

Integrity: Transparent and ethical in all actions.

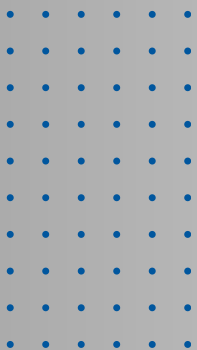

Customer-Centricity: Solutions tailored for client success.

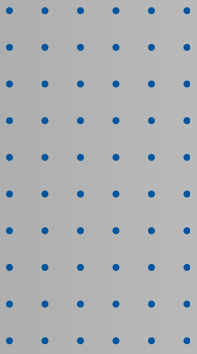

Innovation: Driving progress with modern technologies.

Sustainability: Responsible practices for a better future.

WHAT WE DO

- ✓ **Sourcing and Supply:** High-quality products from trusted suppliers.
- ✓ **Customized Solutions:** Tailored offerings for unique client needs.
- ✓ **Extensive Product Range:** Supporting various industries with diverse goods.
- ✓ **Efficient Logistics:** Seamless, on-time delivery across borders.

WHY MODERN EDGE

- ✓ **Comprehensive Services:** End-to-end solutions under one roof.
- ✓ **Timely Delivery:** Meeting deadlines without compromise.
- ✓ **Cost-Effective:** Competitive pricing with top-tier quality
- ✓ **Sustainability:** Eco-friendly practices for impactful results.

OUR SERVICES

Trading Services

1. **Marine Equipment and Supplies:** We supply a wide selection of materials and equipment essential for marine operations. Our offerings include everything from safety gear to specialized tools, ensuring that our clients in the maritime industry have access to the resources they need for efficient and safe operations.

2. **Oil and Gas Supplies:** Our trading services include a comprehensive range of materials and equipment for the oil and gas sector. We provide high-quality supplies essential for exploration, production, and refining, ensuring that our clients can operate safely and effectively in this critical industry.

3. **Industrial Equipment:** Our extensive inventory features high-quality industrial equipment suitable for manufacturing, construction, and other heavy-duty applications. We source our products from reputable manufacturers, ensuring durability and efficiency in every piece of equipment we provide.

OUR SERVICES

Contracting Services

1.Civil Works: Our contracting division specializes in civil works, delivering projects that include infrastructure development, site preparation, and construction of buildings. We pride ourselves on our ability to manage complex projects while adhering to strict timelines and budget constraints. We offer comprehensive civil construction services, including Earthworks, Concrete foundations, Structural works, Roadworks, Water Proofing and drainage systems. Our team ensures precision, durability, and compliance with industry standards for industrial, commercial, and infrastructure projects. From site preparation to final execution, we deliver high-quality, cost-effective solutions tailored to your needs.

2.Mechanical Works: We provide expert fabrication, structural work, bolt torquing & tensioning, and flange face preparation to ensure precision, durability, and safety in industrial projects. Our skilled team specializes in metal fabrication, steel structure assembly, high-accuracy bolt tightening, and flange face maintenance for leak-free connections. Whether for construction, maintenance, or repairs, we deliver reliable and high-quality mechanical solutions.

OUR SERVICES

Contracting Services

3.Road and Asphalt Works: We undertake road and asphalt works, providing services that encompass the construction, repair, and maintenance of roadways. We specialize in road construction, asphalt paving, resurfacing, Curl Works, Bridge works and maintenance, delivering durable and high-quality solutions for highways, streets, and industrial access roads. Our services include site preparation, grading, compaction, and precision asphalt application to ensure smooth, long-lasting surfaces that meet industry standards. Our experienced team utilizes advanced techniques and materials to ensure durable and safe road surfaces.

4.Material Supply for Civil Works: We offer comprehensive material supply services for civil works, ensuring that our clients have access to the necessary materials for their projects. Our supply chain management guarantees timely delivery of high-quality construction materials, including aggregates, concrete, and asphalt.

OUR SERVICES

Rental Equipment Services

1. Heavy Machinery Rental: Our rental services include a wide range of heavy machinery, designed to meet the demands of various construction and industrial projects. We offer:

Bulldozers: Ideal for earthmoving and site preparation.

Excavators: Perfect for digging, lifting, and demolition tasks.

Wheel Loaders: Efficient for material handling and loading operations.

Dump Trucks and Flatbeds: Essential for transporting materials to and from job sites.

2. Flexible Rental Options: We provide flexible rental options, allowing clients to choose between short-term and long-term rentals based on their project requirements. Our team ensures that all rented equipment is well-maintained and ready for immediate use.

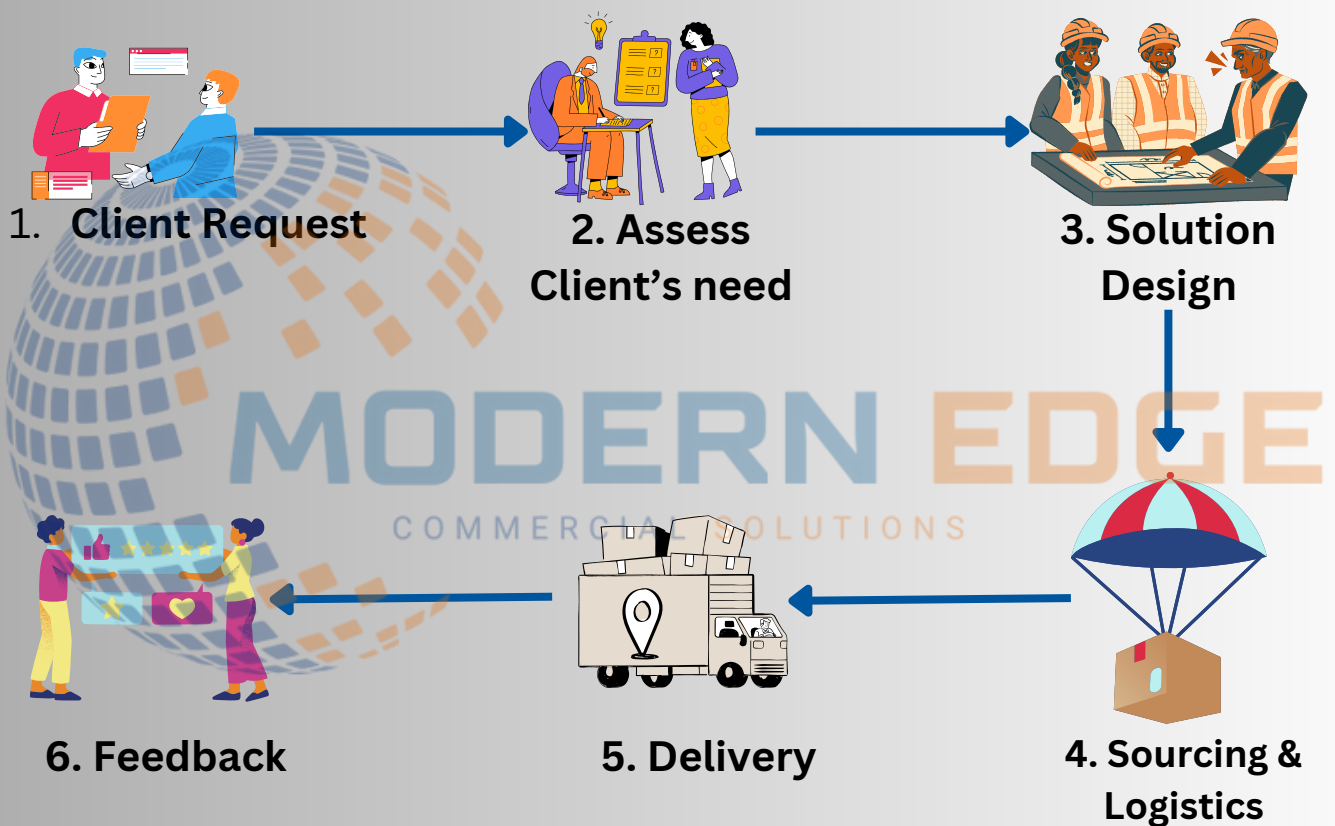

At Modern Edge commercial solutions, we are dedicated to delivering exceptional services in trading, contracting, and rental equipment. Our extensive experience, commitment to quality, and focus on customer satisfaction position us as a trusted partner for all your operational needs. We look forward to supporting your projects with our comprehensive solutions and expertise.
